

Keeping up appearances since 1962.

Celebrating over 60 years, Victor Stanley designs, engineers, and manufactures timeless site furnishings so you can bring communities to life. The Sage side-door litter receptacle, joins contemporary and functional design with enduring strength. We engineered Sage to withstand flexing and distortion inherent in perforated sheet metal while keeping the design serviceable, long lasting, and attractive. Sage features a full interior steel frame, strong exterior panels formed from 11-gauge steel nested in solid-steel frames, and our signature friction-eliminating hinges.

VICTOR  STANLEY®

Create a timeless moment.®

The Sage side-door litter receptacle (patented) joins contemporary and functional design with enduring strength. We engineered Sage to withstand flexing and distortion inherent in perforated sheet metal while keeping the design serviceable, long lasting, and attractive. Sage features a full interior steel frame, strong exterior panels formed from 11-gauge steel nested in solid-steel frames, and our signature friction-eliminating hinges. DSNY approved design. Visit our receptacle installations at Union Square, Grand Central, Lincoln Square, and the Flatiron District.

SAGE

SGE-36SA: 36-gal (136 L) Side-Deposit Side-Door Litter Receptacle.
Standard solid convex lid. US Patent D785,269 S.
